## 16ft Cobra

### *Built to glide effortlessly across the water*

Built to glide effortlessly across any water, the Caribbean Cobra has the latest breed of hull designed for fuel efficiency, performance and wholesome fun. Fifty years of manufacturing culminate in this boat and, as you have come to expect from the name you can trust, the Caribbean Cobra is fully equipped to give you and your family hours of safe and enjoyable boating. Whether your love is waterskiing, fishing or just plain relaxation, the Cobra promises to make your weekends and holidays unforgettable.

Each Caribbean vessel delivers over 50 years of experience behind her timeless lines, solid engineering reliability and blue-water offshore performance. All of which has earned Caribbean, the respected reputation as one of the finest boat manufacturers in the world today. Caribbean boats are proudly built at Scoresby Melbourne, and exported all over the world. Caribbean, the boat the experts buy.

### Towing

For a comprehensive understanding of the current Queensland requirements, please contact Queensland Transport directly on 132380.

For interstate towing, we suggest you contact the Government Office responsible for Motor Vehicle Registrations in the state in which you are heading, for exact confirmation prior to your planned departure.

### Warning

Always check your vehicle owner's handbook and your tow-bar compliance, to confirm your manufacturers, recommended tow-capacity and load requirements. Failure to do so, may result in a towing accident or collision resulting in death or serious injury and / or the cancellation of your vehicle's insurance policy together with your boat insurance policy.
