16ft Offshore

The most practical, rugged, stable and driest fishing platform

When we decided to build the Caribbean Offshore we listened to the people most qualified: True fishermen. The result produced the most practical, rugged, stable and driest 16ft fishing platform you've ever ridden aboard.

Each Caribbean vessel delivers over 50 years of experience behind her timeless lines, solid engineering reliability and blue-water offshore performance. All of which has earned Caribbean, the respected reputation as one of the finest boat manufacturers in the world today. Caribbean boats are proudly built at Scoresby Melbourne, and exported all over the world. Caribbean, the boat the experts buy.

Towing

For a comprehensive understanding of the current Queensland requirements, please contact Queensland Transport directly on 132380.

For interstate towing, we suggest you contact the Government Office responsible for Motor Vehicle Registrations in the state in which you are heading, for exact confirmation prior to your planned departure.

Warning

Always check your vehicle owner's handbook and your tow-bar compliance, to confirm your manufacturers, recommended tow-capacity and load requirements. Failure to do so, may result in a towing accident or collision resulting in death or serious injury and / or the cancellation of your vehicle's insurance policy together with your boat insurance policy.
