Towing

For a comprehensive understanding of the current Queensland requirements, please contact Queensland Transport directly on 132380.

For interstate towing, we suggest you contact the Government Office responsible for Motor Vehicle Registrations in the state in which you are heading, for exact confirmation prior to your planned departure.

Warning

Always check your vehicle owner's handbook and your tow-bar compliance, to confirm your manufacturers, recommended tow-capacity and load requirements. Failure to do so, may result in a towing accident or collision resulting in death or serious injury and / or the cancellation of your vehicle's insurance policy together with your boat insurance policy.
