

20ft Cavalier

High performance, style, reliability and safety

The Caribbean Cavalier is a stylish, safe, high performance off shore proven runabout. A half cabin and spacious cockpit make this boat exceptional for both outer reef fishing and family fun days on the water. Together with a genuine deep vee ride makes the Cavalier the perfect boat that will suit your boating lifestyle.

Each Caribbean model delivers over 50 years of experience behind her timeless lines, solid engineering reliability and blue-water offshore performance. All of which has earned Caribbean, the respected reputation as one of the finest boat manufacturers in the world today. Caribbean is proudly built at the famous Caribbean Gardens in the Melbourne suburb of Scoresby, and exported all over the world. Caribbean, the boat the experts buy.

Towing

For a comprehensive understanding of the current Queensland requirements, please contact Queensland Transport directly on 132380.

For interstate towing, we suggest you contact the Government Office responsible for Motor Vehicle Registrations in the state in which you are heading, for exact confirmation prior to your planned departure.

Warning

Always check your vehicle owner's handbook and your tow-bar compliance, to confirm your manufacturers, recommended tow-capacity and load requirements. Failure to do so, may result in a towing accident or collision resulting in death or serious injury and / or the cancellation of your vehicle's insurance policy together with your boat insurance policy.
